### President's Message:

What a great day today was. 60 degrees and sunny. I guess tomorrow will be back to reality.

- Rick Peck is spending his last snowy winter in NY state. He has provided a list of aircraft he wants to sell before his move. Also included is a 3D printer which he has used for many projects including a 3D printed sailplane. If you're looking to get into 3D printing this is a great opportunity to get a high quality printer at a low price! See page 2. I understand he also has a couple of snow shovels that can be had for next to nothing. Probably won't be needed in Florida.
- The Model Forum will be held on March 2nd, 2019. We'll be looking for lots of static displays so plan on bringing some of your favorites. Since it is a month later than usual, there is more time to complete new projects and bring them in for display. The next planning meeting will be at the CIA site, Feb 15th at 7:30.
- The STARS auction was held on Jan 25th. There were not as many planes as in previous years but there were some nice quality aircraft there at very reasonable prices. See the photos on page 3.
- There are a few swap meets and events coming up. Take a look at the calendar on page 4.
- Please be sure to renew your AMA and club memberships as soon as possible. Kevin will cheerfully take your money. Since it is now after Jan. 31st, you must include the \$5.00 late fee in your renewal.
- Next month, at the March meeting, we will elect the club Board of Directors. The current members are listed to the left. If you are interested in a position on the board, let me know so I can get it in next month's newsletter.
- If you're itching to fly during the winter, talk to Phil Artese or me. The Camillus Indoor Aviators are going strong, a couple of miles from our field. Dues are cheap and it's nice and warm in the gym.
- **A reminder of our Bad Weather Policy:** We will follow the closing schedule for **Marcellus Schools**. If school is cancelled or if afternoon activities are cancelled due to weather, our meeting will also be cancelled.

**See you at the meeting!**
