President's Message:

In another month we should be able to begin flying again. I sure am looking forward to it. I have a few things to finish up....

- Rick Peck has had some success in selling off his aircraft. He still has some stuff left so be sure to check with him for some real bargains.
- Several club members attended the AMA Expo East last week. All say it was a good show and worth the drive.
- The Model Forum was held on March 2nd, 2019. The weather was good and although the attendance was down from last year, everything went very well. We had a good crew of people to help out so all went smoothly. Thanks to all who helped. A follow-up meeting will be at the CIA site, March 15th at 7:30.
- The STARS Snow Fly was held on Sunday the 3rd. Also a very nice day so it was well attended. Lots of us got good flights in and there was good food to eat and good company.
- The club recharter has been submitted. We should be good for another year.
- Please be sure to renew your AMA and club memberships as soon as possible. Kevin will cheerfully take your money. Since it is now after Jan. 31st, you must include the \$5.00 late fee in your renewal.
- At the meeting, we will elect the club Board of Directors. The current members are listed to the left. If you are interested in a position on the board, let me know right away.
- The Toledo show is coming up soon. Many have expressed an interest in going. We can talk about it at the meeting and try to set up some carpools.
- The FAA has invented new rules for posting your FAA numbers on your aircraft. They must now be posted on the outside of the aircraft. I guess they are concerned about a plane being booby-trapped and blowing up when it gets disturbed.
- If you're itching to fly during the winter, talk to Phil Artese or me. The Camillus Indoor Aviators are going strong, a couple of miles from our field. Dues are cheap and it's nice and warm in the gym.
- **A reminder of our Bad Weather Policy:** We will follow the closing schedule for **Marcellus Schools**. If school is cancelled or if afternoon activities are cancelled due to weather, our meeting will also be cancelled.

See you at the meeting!
