President's Message:

Finally we are having some good flying weather! Here's what's going on:

- Well, it wasn't the best year for our breakfast. Rain all day significantly impacted the attendance. We had only 600 customers. On good days we get 1000 or more. Still, we made a profit of \$738.19 for our club. We had a good crew of workers so it went very smoothly. We were able to put the CAP cadets to work on several different tasks which helped a lot. They seemed to enjoy pushing cars out of the mud. Health department inspection went well without any issues. Many thanks to all who helped!
- Congratulations to Kevin Kiniry! He won the breakfast workers participation raffle.
- As approved by the board of directors and the membership, we will build a tractor shed 12 ft by 16 of our own design. A spending target of \$3000.00 was approved. Construction will begin soon. Volunteers will be needed.
- We will have a club picnic on Sunday July 14th starting at noon. The club will provide burgers, dogs and sodas. Please bring a small dish to pass and your family and aircraft to fly!
- Also this weekend (Fri, Sat, Sun) EAA 1017 is having their Fly-In. There will be lots of ultralight activity at the airport. Be careful.
- Along with the 1017 Fly-In and our picnic, there will be a Chicken BBQ on Sunday the 14th from noon until it's gone. This is an awesome meal so please consider participating in this, maybe taking some home after the picnic
- We will be hosting a Pattern Contest on July 27th. Mike is looking for volunteers to help at the event, including judging. As we did last year, Mike has been holding training sessions on Monday evenings starting in May. Unfortunately, many have been a wash-out. Please try to attend. Even if you don't compete, it's a chance to improve your flying.
- The FLAPS will have a display at the Geneseo airshow this year. This is a great local airshow so try to attend.
- We will have our annual fly-in on Saturday August 17th starting at noon.
- The STARS will be hosting the District II fun fly this year in combination with their annual airshow. The fun fly is on August 31st and the airshow is on September 1st.

See you at the picnic!
