President's Message:

It has been a busy summer so far. The next month will continue to be busy.

- We will have our annual fly-in on Saturday August 17th starting at noon. No competitive events, just open flying. This is an AMA sanctioned event so make sure your AMA is paid up! The club will provide burgers, dogs and drinks.
- At the fun fly we will raffle off the Hobby Zone Aeroscout that Bruce Throne donated. The money will go to the AMA foundation.
- A few of us went to the Geneseo air show. It was smaller than the last time I went but was still a great show. It takes about an hour and a half to get there and is well worth the drive.
- Our annual family picnic went very well. The weather was good and many people attended.
- Our Pattern contest also went very well. Mike Gosson does a great job heading this up. He manages every detail so that there are no surprises. Thanks Mike! Be sure to congratulate our own Tom Coon for taking first place in Club Class and our own John McMakin for first place in Sportsman class.
- EAA 107 and us will be hosting a chicken BBQ to raise money for Jeff Dud-den. He has been battling severe health issues and has a pile of medical bills. This will be on Saturday, September 7th starting at noon, at the main hangar. Lets show our support by showing up and contributing to this!
- The shed build has not started yet because of scheduling of key people. I'll keep you posted.
- I attended the Sky Rovers air show in Phelps. It was a hot weekend so many people stayed away. I went on Sunday and had a great time.
- As mentioned before, the STARS will be hosting the District II fun fly this year in combination with their annual air show. The fun fly is on August 31st and the air show is on September 1st. They have asked us for help with parking and cooking for each day. This is an important event for District II and for the STARS. I'll have a sign-up sheet at the field.

See you at the Fun Fly!
