Meeting Friday the 14th, 7PM at Walt's Hobbytown

President's Message:

So, I know the meeting is on Valentine's day so be sure to put a proper spin on it. For example you can say that your gift to your spouse or significant other is giving them some alone time! A box of chocolates may work better.

Club Officers:

President:

Herb Ziegler
315-857-6266
herbz1957@yahoo.com

Vice President:

Phil Artese
315-382-5841

- We were all saddened to hear of Peter Seiffert's passing. He was very active in model aviation and will be missed. At some point a sale of his stuff will happen. I'll keep you posted.
- Regarding the FAA's proposed rules, the FAA has decided that the comment period for the proposed rulemaking will not be extended. All comments must be in by March 2nd. If the rules go through as written it will be a disaster for our hobby! Please take the time to submit comments! This is really important. To view the AMA's position on this take a look here: <http://amablog.modelaircraft.org/amagov/2020/01/03/template-comment-on-uas-remote-id/> This template can be copied and pasted into the FAA comment page here: <https://www.federalregister.gov/documents/2019/12/31/2019-28100/remote-identification-of-unmanned-aircraft-systems#open-comment> You can feel free to change the text or just write your own comment. Please take the time to do this.
- The EAA/AMA Young Eagles Build and Fly Program is going very well. We've had from 4 to 11 students at the Junior and Senior High level attending. Construction is going well and the students are really interested in this project. It looks like we are on target for having it ready to fly when the weather allows.
- The model forum will be on March 14th. We will bring back informational talks and seminars including Radio Programming, Soldering, Building and Repair, and other interesting things. The next planning meeting will be on Friday, Feb 21st, 7:30PM at the CIA flying site. Feel free to attend.
- Our next club meeting would normally be on March 13th but that is the set-up day for the forum. We will decide at this meeting if we need a March meeting or if we will just skip it until April.
- Bad weather reminder: Our meetings will follow the Marcellus school closings. If the school is closed for the day, our meeting will be canceled. If the school cancels after school activities, our meeting will be canceled.
- Membership Renewals are due! Be sure to include the \$5.00 late fee! Page 3 has the renewal form. While you're at it, be sure your AMA is paid up.
- Election of officers will take place at the March (or April) meeting. President, Vice President, Secretary and Treasurer are all available. Please let me know if you are interested in any one of these so I can get your name out to the membership.

See you at the meeting!
