<i>Membership Forms</i>	3
<i>Pattern Contest</i>	3
<i>Calendar</i>	4

### President's Message:

I guess summer is over. That means it is time for meetings to start up again. The weather wasn't our friend this year. Between high winds, oppressive heat and rain, many of our flying days were wiped out.

- We will meet at the airport in the pilots lounge. The covid thing is still an issue and we can't let our guard down. I expect all of us to do the right thing and follow the CDC guidelines for masking, isolating etc. If you feel sick, stay away. If you were knowingly exposed to Covid or if you have tested positive yourself, stay away for the required isolation time! I personally know of several acquaintances who have had the virus so this hits close to home for me.
- We received the flying site improvement grant from the AMA. That \$1000.00 helped a lot since we had no income from the pancake breakfast 2 years in a row.
- In June we had a Season Opener picnic. It was great to get together again after such a long isolation.
- In July we held our Pattern contest. The weather held out and it went very smoothly because of Mike Gosson's great organization skills. Thanks Mike. Photo on page 3.
- In August many of us attended the STARS annual air show. It was a good day and we got many good flights in.
- The following week we had our Fun Fly. The weather was ok for some of it. Lots of good food and people.
- We have some food left over so we should have an End of Season picnic. I suggest we have it on Sunday the 10th, starting at noon or so. The forecast looks ok.
- The Young Eagles Build and fly program is back on after a year and a half pause due to Covid. I met with the school people today and they are very excited to dive back in. Looks like we'll be starting up next week.
- Anyone going to the field to fly this season was greeted by a well mowed field. This is all due to Dave Kennedy who has tirelessly mowed every week, all season long. Be sure to Thank Dave when you see him.

**I hope you can make the meeting and the picnic!**
