President's Message:

So it is now the holiday season. That means Christmas parties! Ours will be Friday at the airport. Many of you have RSVP'd so we have an approximate count. Thanks. Feel free to show up even if you didn't RSVP. I'm sure we'll have enough food. We'll have some pasta, pizza, dessert and drinks.

- When arriving at the airport, please park sensibly. The grass will probably be soft so don't leave ruts! Park on the gravel if at all possible. Carpooling would be helpful.
- Kevin will be happy to take your dues for next year! He likes money. The info is on page 3.
- Don't forget your AMA dues and your FAA registration.
- We plan to hold our annual NYD fun fly again. It will be at the airport as usual. Club will provide burgers, dogs, chili and drinks. A small dish to pass is optional. Bring something to fly!
- The Young Eagles Build and fly program is moving along well. At each session we are able to make some progress. We're still on track to finish by springtime.
- The mower is at the field. It is in good shape for next year.
- For those who want to fly indoors, the CIA flying site is now open on Monday and Friday evenings and the 3rd Saturday of each month. The schedule could change so please check the calendar before going out there. For more info contact Phil Artese or Herb Ziegler. See tinyurl.com/CIAflying
- We had a Model Forum meeting in November. It looks like we will be doing it again. Many folks would like it to be held at the CIA site this time so we're trying to put that together. I'll keep you posted. For anyone interested in getting involved, the next meeting is on Monday Jan 10th at the CIA site, 7:30PM.
- I hope to see my friends during the holiday season but if I don't see you please have a Merry Christmas and Happy New Year!

I hope you can make the party!
