### President's Message:

The days are getting longer and evenings are lighter. I expect in a few weeks we'll be flying. Yay!

- We will meet at the airport pilot's lounge again this month. Please be careful parking. Try to stay on the gravel and off of the mud!
- We had a very successful Model Forum, after a 2 year covid pause. About 70 attendees and we made \$912.00 which we donated to the Syracuse Academy of Science. Many thanks to all who helped!
- Last Saturday we participated in the first Syracuse Maker Faire. It was a big success for us. Many attendees were made aware of model aviation for the first time and we may pick up some new members.
- At the last meeting we voted on new club officers. Sorry folks you're stuck with us for another 2 years (unless we get impeached).
- The tractor is ready for another season of mowing. It needed a new battery but is otherwise in great shape.
- Field conditions: We need to do a general clean up, trim some brush, etc. We'll schedule a day for that at the meeting. Also, there are a few spots in the road where we need some gravel. Trying to set that up for next week. Our 2 picnic tables are rusted out and unsafe. It has been suggested that we use the plastic tops and benches and build a new frame from pressure treated wood. Probably our cheapest option. The impound shed is in need of either paint or siding. We'll discuss all these things at the meeting.
- The annual FLAPS swap meet is Saturday at the Seneca Falls Rec Center, 35 Water St, Seneca Falls.
- The STARS auction has been re-scheduled for April 30th at their field. Opens at 9AM, bidding starts at 10:30
- After a 2 year covid pause we will once again do our Fathers Day Pancake Breakfast. We will need lots of volunteers. I will provide details soon.
- The Young Eagles build and fly program has stalled a little due to scheduling issues. With spring sports starting up many of the students can't make it to our build sessions. We are looking at options which will probably involve finishing it at the airport on weekends. I'll keep you posted.
- On July 30th we'll host our annual Pattern Contest. We'll be looking for volunteers and competitors.

**I hope you can make the meeting!**
