### President's Message:

Looks like the flying season is winding down. There have still been a few good evenings and, who knows, maybe there are more to come. We had a good summer. Lots of activity.

- Another Fathers Day Pancake Breakfast is in the history books. It was good to do it again after a 2 year covid pause. Our club made \$2219.40.
- Regarding the Young Eagles Build and Fly program, as you know it was successfully completed in June. I have been in contact with the teacher at the school to see how we may continue this program. I haven't heard anything yet. In some ways I consider this a success. We had a core of 4 students and with all of the scheduling conflicts we were able to complete and fly the airplane. Unfortunately, when summer hit, the students scattered and the plane didn't fly all summer. Further, there doesn't seem to be a lot of follow-on interest at the school. I'll keep chasing this down.
- On July 30th we had our annual Pattern Contest. Attendance was a little light because it conflicted with other events. The date will probably change next year to avoid conflicts.
- We had our annual picnic and then Fun Fly. Good attendance at each.
- Over the summer I received several aircraft for various reasons. I have gone through them and test flown them. I will bring them to the meeting with hopes that someone will buy them for VERY reasonable prices. I shelled out my own money for these and I would like to break even.
- There are some upcoming swap meets. Details on page 2.
- Time to think about our club Christmas party. We have been unsuccessful at getting Kevin to go back to work ( he likes retirement) so the facility at Anheuser Busch is not an option. Bring your ideas to the meeting.
- When you see Mark Block and Dan Healy be sure to thank them for keeping the lawn mowed all summer. Great Job guys!
- Indoor flying at the CIA will start up soon. The gym at the church is less available than it has been in the past. It looks like we will only have Friday evenings and possibly some Saturday times. More info will follow when I get it.
- You should have all received your AMA renewals and ballots. Be sure to send them in. Regarding the ballots, I shouldn't endorse one candidate or another but I understand that a majority of our local people favor Randy Cameron. Read the campaign statements and make your own choice.

**See you at the meeting!**

*Herb.*

**ANNUAL SKY ROVERS AUCTION & FLEA MARKET**

The Sky Rovers Auction & Flea Market will be held on Saturday, October 22, 2022 at the Phelps Community Center, Phelps New York.

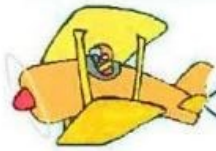

Visitors can purchase model aircraft and accessories from 9 a.m. to Noon. At Noon the auction takes place and all proceeds go to the owners of the property placed up for auction. Tables are provided for those who wish to display items for sale. Food and drinks are sold at the venue. It has been well attended and has presented visitors with a great opportunity to purchase model aircraft and accessories at bargain prices.

Admission is \$5. Ladies and kids 12 and under get in FREE!
