President's Message:

Happy New year to everyone! I hope all are healthy and happy.

- Our family Christmas party was on Friday the 8th. We had good food and friendship. Special thanks to Mike Gosson for setting up the food and Jim Murnane for providing the patio heater.
- Our annual New Years Day fun fly went well. About 24 people attended. Several flights happened during the event. Weather was overcast but not too windy. See Page 3.
- The Marcellus school aviation club is continuing. We lost a month of build time due to Christmas break, jury duty and other schedule issues. So far it looks like we will be on track to complete it by spring.
- The STARS are again hosting their annual auction. It will be Jan 26th. See page 4.
- Update on the CIA indoor flying site: We are in the process of getting Wednesdays, possibly in the afternoon for our flying. We are awaiting final approval from the church which isn't expected to be a problem. I understand that Underground RC in Destiny will be offering indoor flying on Tuesday evenings. There will be a fee for each flying session, possibly \$10.00.
- Chris Muniz has been updating our newest facebook page. He is requesting that we upload any photos we may have to that page. This is the link: <https://www.facebook.com/groups/arcs1950>. They could either be uploaded directly or send to Chris and he will upload. It'd be great to have some older photos too! His contact info is chris.connec@gmail.com.
- Dues are due! Please get your payment to Kevin as soon as possible. Late fee kicks in after January. Info on page 3.
- There have been developments regarding the Amboy aviation exhibit. The town of Camillus has made a building available for the exhibit and crews are at work to convert it from storage to an actual exhibit. It is expected to take a year or so. See page 2 for details.
- A disturbing development regarding the Pancake Breakfast. Nojaim's in Marcellus is closing. This is where we get most of the food. They have been a great partner for all these years. They order the food for us and they take back anything we don't use. We probably will not get a deal like that from anyone else so we will have to be extra careful ordering. More info to come in the next few months.

See you at the meeting!
