President's Message:

Wow, summer is over already! It sure was short. The weather wasn't the best either. Seems like it only rained on Wednesdays and Thursdays.

- Our pancake breakfast was a great success! Our share of the profit was \$3477.61. Thanks to all the volunteers who helped out. This puts us in very good financial shape!
- Mike Gosson hosted a successful pattern contest again in July. Again, thanks to the volunteers who helped out, and Thanks Mike!
- In August we had our annual fun fly. It was a great time!
- Mark Block has been tireless in his care of our field. Between mowing, rolling and weed whacking his efforts have made the field the nicest its ever been. Thanks Mark!
- The Marcellus School Aviation club is up and running again. So far there are about a dozen interested students, mostly from the middle school. This year we will be building a Great Planes PT-40 kit. It will be electric powered. As in the past, we will be looking for donations of radio systems, motors, speed controls, etc.
- We have been tasked by the Camillus Aviation Museum to build a museum quality 1/6 scale Wright Flyer. The kit was donated by Emil Cost with that in mind. Mike Gosson, John McMakin and I will be starting this shortly.
- A most important item is on page 2. Lets have some fun!
- Chris Muniz has been updating our newest facebook page. He is requesting that we upload any photos we may have to that page. This is the link: <https://www.facebook.com/groups/arcs1950> . They could either be uploaded directly or send to Chris and he will upload. It'd be great to have some older photos too! His contact info is chris.connec@gmail.com .

See you at the meeting!

Herb. 315- 857-6266 herbz1957@yahoo.com

Photo Captioning Contest

Ok, get those creative juices flowing! This image begs for a caption. Bring your thoughts to the meeting and we'll see which one we like better.

ARCS Membership Application/Renewal

Date: _____
