<i>STARS Snow Fly</i>	3
<i>Calendar</i>	4

President's Message:

Ok, I know the meeting falls on Valentine's day. Try this approach: One of the best gifts you can give your spouse or significant other is allow that person a few hours of quiet time. Going to the meeting is just the ticket!

- The Marcellus School Aviation club is continuing slowly. Last week was another snow day. Looking at the school calendar, we only have 16 more sessions to complete it. They get so many days off!
- The build of the 1/6 scale Wright Flyer is continuing. We have been assembling parts and we think we have settled on a covering technique. Photo on page 2.
- I am repeating this from last month: There is a lot of interest in CPR/AED training. Based on input at the last meeting, Most people would prefer to take online training instead of attending a class. I took the online training and I think it is well done. There are 4 options.
 - Adult, Child And Baby First Aid/CPR/AED
 - Adult First Aid/CPR/AED
 - Adult CPR/AED
 - Child And Baby First Aid/CPR/AED

I took the first one which has the most content. It takes more than 2 hours to complete everything. You can save your progress any time you want and return later. The ones with lesser content will be faster, obviously. The club voted to cover the \$37.00 cost of club members. An added plus is that Terry was able to take the course with me. She doesn't get a certificate at the end but she learned the content. Here's a link to the [training](#):

<https://www.redcross.org/take-a-class/aed>

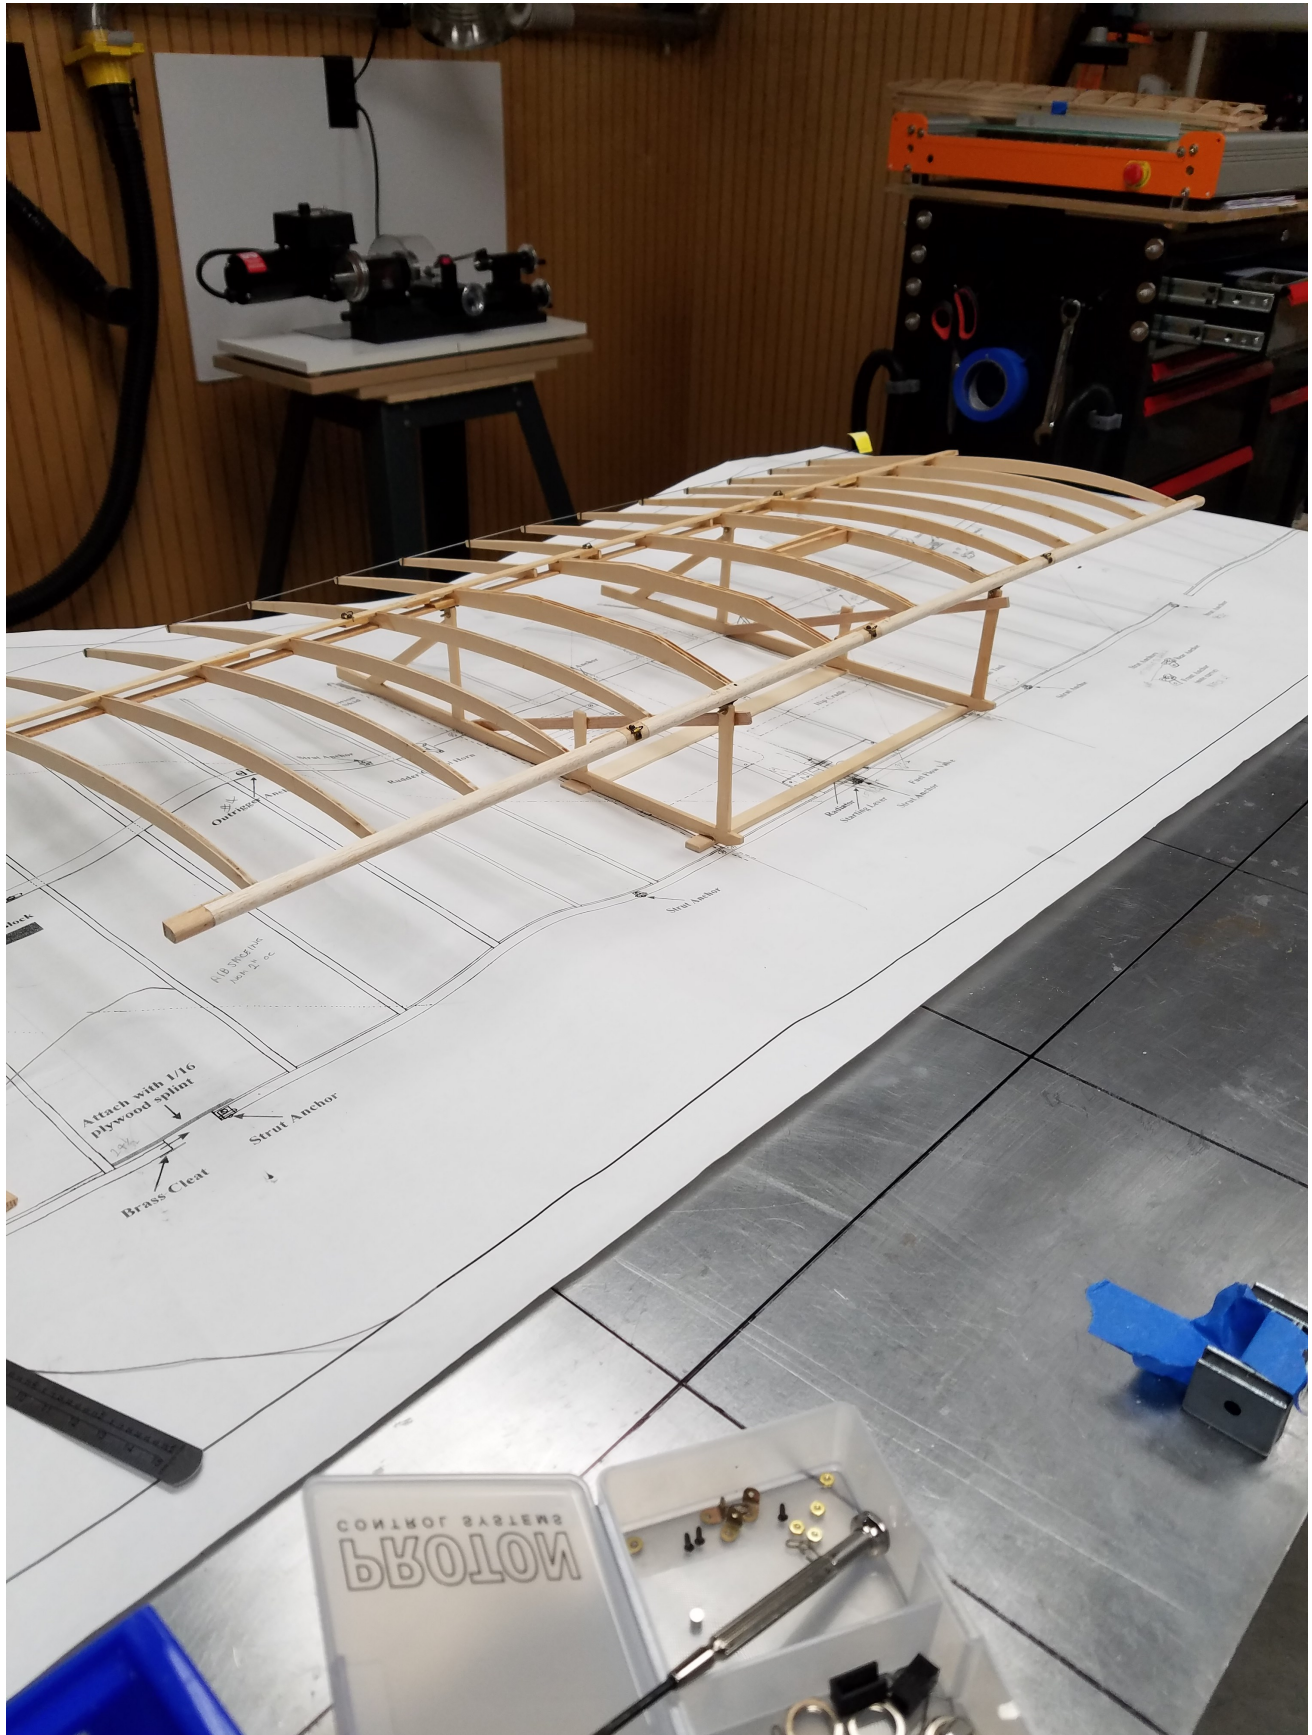

- Indoor flying is open again at the Memphis Baptist Church. It is on Wednesdays from 1PM to 4PM. If you plan to attend I need to know so I can unlock the doors. Contact me if you need more info.
- Dues are due! Kevin will take your money. He has a new address which is listed on the form on page 3. Late fee applies after Jan 31st.
- Last month we had to do a zoom meeting. I don't expect that to happen this month but check your email before driving out in case there are last minute changes.

See you at the meeting!

315- 857-6266 herbz1957@yahoo.com

Herb.

Wright Flyer – Lower wing and landing skid assembly

ARCS Membership Application/Renewal

Date: _____

Name: _____

Address: _____

City: _____ State: _____

Zip: _____

Phone: _____
